There are different categories of membership.

Do I have to be an engineer to join ASSE?

Congratulations to the following New Members (former student members) who have received their free one-year membership gift!

Let us know about your professional development successes!

Common Membership Questions

1. Do I have to be an engineer to join ASSE? Answer: No

2. A better name for the organization would probably be the American Society of EHS Professionals. Do I have to be a “full time” safety pro or be “certified” to be eligible for membership in ASSE? Answer: No

3. There are different categories of membership. What’s the next step for becoming a member? Complete a Membership App or on-line App www.asse.org Students! On-Line Membership only $15/yr http://www.asse.org/asse-student-membership-application/
