Congratulations for successfully advancing your professional development!

Matt Bunde with California Water Service recently completed the requirements to become a **Certified Safety Professional® (CSP)**

Phil Clarke with KS Industries recently completed the requirements to become an **Associate Safety Professional® (ASP)**

Alex Holmes with Holmes Western Oil Corporation recently completed the requirements to become a **Certified Safety Professional® (CSP)**

Donald Sullivan with KS Industries recently completed the requirements to become an **Associate Safety Professional® (ASP)**

Let us know about your professional development successes too! - Certification info at www.bcsp.org

Common Membership Questions

- 1. Do I have to be an engineer to join ASSP?** **Answer: No**
 A better name for the organization would probably be the American Society of EHS Professionals.
- 2. Do I have to be a “full time” safety pro or be “certified” to be eligible for membership in ASSP?** **Answer: No**
 There are different categories of membership.
- 3. What’s the next step for becoming a member? Complete a Membership App or on-line App-www.assp.org Students! On-Line Membership only \$15/yr <http://www.assp.org/assp-student-membership-application/>**
