July 6, 7:00 - 8:45 AM at Hodels restaurant

Topic: Establishing Your Place in the “C Suite”
Speaker: James Boretti, CSP - President/CEO Boretti, Inc.

Senior management (the C-Suite) looks to you for SH&E leadership and value you bring to support your efforts. In this presentation, you will learn key points the C-Suite wants to know about SH&E and how to communicate this information effectively. Your knowledge of the organization’s business goals & senior management’s expectations of SH&E will strengthen your bond & partnership with the C-Suite. Learning Objectives & Outcomes: 1. Demonstrate a general understanding of business language and a foundation from which business decisions are made. 2. Identify expectations & align SH&E efforts driven by organizational objectives from the C-Suite to gain involvement of decision-makers.

August 3, 7:00 - 8:45 AM at Hodels restaurant

Topic: Water Well Drilling
Speaker: Jeff Hart – Drilling Manager, Hydro Resources

This presentation will discuss the percentage of California water that relies on underground aquifers, how this impacts Agriculture, how water well drilling extracts the water, specific equipment for water well drilling, and safety concerns associated with water well drilling.

Jeff Hart is an expert in the subtle art of drilling deep shafts in to the earth to create wells for oil, water and mining. He never expected to become famous outside his specialized field, but in late 2010 he briefly became an international icon for his leading role in the rescue of 33 Chilean miners trapped underground in a collapsed mine. Hart grew up in Southern Colorado and lives outside of Denver, Colorado with his wife and their two sons.

September 7, 7:00 - 8:45 AM at Hodels restaurant

Topic: Uninvited Company—Now What?
